

Job description for Operations Manager (night shift)

JOB TITLE:

Operations Manager (Night Shift) – Powerday plc - Waste Management/Materials Recovery Facility, Old Oak Sidings, Willesden, London NW10 6RJ

Competitive Salary located at Willesden Junction, London, NW10

ROLE

An excellent opportunity has arisen for an experienced waste management professional to join Powerday, a successful company operating a state-of-the-art Materials Recycling Facility which is open 24 hours a day. The successful candidate would be responsible for overall management of all operational staff on a night shift at the Old Oak Sidings plant, including weighbridge/security staff, plant/machine operators, MRF operatives and workshop fitters. The candidate should have experience in operating MRF's or similar automated processing plants and be fully conversant in all relevant aspects of Environmental Compliance and Health & Safety.

EXPERIENCE REQUIRED

- WAMITAB - participant in CIWM 'WAMITAB continuing competence' scheme
- 5 years industry experience preferable

Skills and knowledge:

- Experience and understanding of the waste regulatory environment within the UK
- Strong commitment to Health, Safety and Wellbeing of all staff in your control.
- Ability to work independently and in a team environment.
- Proven ability to manage and motivate a multi-disciplined night-shift team

Please contact John Naughton at john.naughton@powerday.co.uk with a copy of your CV or alternatively telephone on 020 8960 4646 for an initial discussion.

Application closing date: Friday 9th September
