

POWERDAY SOCIAL VALUE SUMMARY: a retrospective for 2018/19

We are delighted to have been able to deliver £9.2million of social value in this period. Last year, we signed up to the Social Value Portal which provides an online service by which we can measure our contribution to society. This first report, using this nationally accepted framework, is retrospective of our financial year ending 31st July 2019. Our social value is focused on the following areas:

<p>1 PROVIDING THE BEST WASTE MANAGEMENT SOLUTIONS</p> 	<p>2 PROVIDING SECURE AND REWARDING EMPLOYMENT</p> 	<p>3 IMPROVING LIVES THROUGH SPORT</p> 	<p>4 OTHER AREAS WHERE OUR COMMUNITIES REQUIRE OUR SUPPORT</p> 
---	---	---	---

As a client, every pound you have spent with us in this period has contributed **£0.17** to the wider community.

OUR KEY ACHIEVEMENTS IN 2018/19

£9.2M
TOTAL
SOCIAL
VALUE
DELIVERED

£6.1m local economic value generated by employing **77%** of our staff locally

2,620 hours donated to support community facilities and initiatives

2,200 hours dedicated to helping young people into work

280 waste-skips to local youth clubs, adventure parks and sports clubs

165,817

fossil-fuel miles saved through the use of low or no emission vehicles

£481,000 of equipment and resources donated to community boxing

£2.1m of social value generated by diverting hard-to-recycle waste from landfill and incineration

Delivering social value has been part of the ethos since Powerday's inception. We use our sustained growth to support our local communities. In particular we believe strongly that the lives of disadvantaged young Londoners can be improved through sport and opportunity. Our work in the community is now as important to our company as our waste management services.

Edward Crossan, Vice Chairman, Powerday
